ANNUAL FIRE REPORT, 1957

The Lee Fire Department answered 20 calls in 1957 with damage estimated at \$35,000. The trailer fire at the Traffic Circle accounted for \$33,000 of this amount. The remaining amount was accountable to the following fires: a shed at Dr. Howarth's, a barn at Laney's two auto fires, one flooded oil burner and nine woods and grass fires. Lee responded to five out-of-town calls; three to Madbury, one to Barrington and one to cover the Durham Fire Station. The Department called for assistance once in 1957; Durham responded by sending equipment to the Laney fire. Dover and Durham sent apparatus to the trailer fire and Madbury sent equipment to the Newtown Plains woods fire.

The Fire Department members burned the Dump almost every week through the dry parts of the year, the men thereby gaining some experience in using the equipment.

The Fire Department Auxiliary has been most helpful again this year giving the Fire Department a portable pump and helping to purchase a portable generator and lights.

Thanks are extended to all who have helped us in 1957.

Regular meetings are held the second Thursday of the month and dues are \$2.00 a year. Anyone is welcome to join.

Officers for 1958 are as follows:

Chief, Lloyd Stevens, Oldfield 9-3827.

Captains, Gilman Menter, Oldfield 9-3859; Oliver Kennard, Oldfield 9-3465.

Sec.-Treas., Staton Curtis, Oldfield 9-3418.

Directors, Ralph Granger, Oldfield 9-3498; Charles Piper, Epping 4464; Leonard Wenant, Oldfield 9-3800, Chairman of the Board of Selectmen.

Fire Department number is Oldfield 9-3477 and is to be used for EMERGENCY USE ONLY. Please call Oldfield 9-3827 for permits or any other information desired..

LLOYD F. STEVENS,
Chief.

FOREST FIRE PREVENTION IS EVERYBODY'S BUSINESS

New Hampshire faces a continuing challenge in its forest fire problem — 97 per cent of all our forest fires being man-caused and preventable — a serious indictment of interest in our own welfare and that of our neighbor. Both the state and the towns are striving diligently to effectively meet the challenge through education of the public to the threat fire presents to our woodlands, by maintaining a well trained corps or wardens and deputy wardens in every community and by providing ample opportunity for all who wish to dispose of unwanted waste materials. Careless and perverseness, however, continue to be the big hurdles.

Thoughtlessly discarded lighted cigars, cigarettes

and matches from moving vehicles, by hikers, hunters and fishermen; careless burning of debris during hazardous periods in dangerous locations; illegal burning; improperly extinguished debris, camp and cook fires—all result in serious loss of property, disruption of industry and farm work and unnecessary expenditure of town and state funds.

To meet the challenge successfully, the state, your community and your local forest fire warden need YOUR thoughtful and cooperative effort—the rules are simple.

1. Don't burn at home — use your town dump and avoid all fire problems. Hours Wednesday 1 to 8 p.m., Saturday 7 a.m. to 5 p.m.

2. If you do burn, be sure to secure a *written permit* from your local forest fire warden when the ground is not covered with snow. Permits are required for open debris fires, home incinerators, outdoor fire places and camp fires. Your warden is instructed to permit burning if weather conditions, site and type of burning are safe.

3. Be sure that all lighted material — cigars, cigarettes and matches — are completely out before discarding them. Use ash trays in automobiles.

4. Make certain that your debris, camp and cook fires are completely out before leaving them.

5. Insist that others be careful and comply with burning requirements.

6. Call the warden promptly when fire is detected and aid him to extinguish it.

REMEMBER — the fire you prevent might be the one which could burn your property.

REMEMBER—Forest fire prevention is everybody's business and our most important undertaking.

1957 Forest fire record for your town:

Number of fires	9
Acreage burned	21¼
Number of permits issued	111

ROBERT W. SMITH,
District Fire Chief.
LLOYD F. STEVENS,
Forest Fire Warden.

REPORT OF BUILDING INSPECTOR

During the calendar year of 1957, eighteen (18) building permits were issued in the following general classifications:

New dwellings	9
Apartment building (7 apartments)	1
Remodel or add rooms to dwelling	2
Garage and breezeway	1
Storage buildings and barns	2
Summer cottages	2
Boat shop	1
	—
Total	18

There are three matters that need attention in connection with the ordinance:

1. Many wait until construction is started before securing permit.

2. Most fail to notify the building inspector when the building is ready for final inspection and certification for occupancy.

3. There is no terminal date to a permit. This allows for a building to be started and never finished within intent of the building ordinance.

Respectfully submitted,

RALPH H. GRANGER,
Building Inspector.

AUDITORS' CERTIFICATE

We have examined the accounts of the Selectmen, Treasurer, Tax Collector, Road Agent, Trustees of the Trust Funds, Library Trustees, Town Clerk, Treasurer of the Lee Fire Department and the Building Inspector and find them correct.

NEW HAMPSHIRE SEACOAST REGIONAL
DEVELOPMENT ASSOCIATION

Report of the President and Executive Secretary
Year Ending September 15, 1957

This twenty-third annual report will briefly touch upon some of the more important events of the association's activities.

The distribution of our ever popular information and guide book "The Seacoast Region of New Hampshire Awaits Your Pleasure," has been significant in that a record number have been mailed directly to individuals definitely interested in the Region and the State.

More than forty per cent of the 25,000 published have been sent to these individuals upon personal request and through selections from authentic lists of inquiries for the information the book contains. The remaining sixty per cent were effectively used through the various valuable information services in the United States and Canada.

The six regional associations joined in an exhibit

at the Boston Herald Travelcade in November 1956 and will participate again in October 1957.

The \$1,175,000.00 Federal Project removing hazards to navigation in Portsmouth Harbor and the Piscataqua River is now completed. A resolution for authorization of further surveys in the upper part of the River has been presented by Congressman Chester E. Merrow to the Public Works Committee of the U. S. House of Representatives.

Sponsored by the (State) Harbor Advisory Committee of which the Executive Secretary is Chairman, legislation creating a New Hampshire Port Authority has been enacted.

Full surveys of Rye and Hampton Harbors by the U. S. Army Engineers have been completed and favorable reports are expected soon.

Determined efforts have been exerted for reconstruction of the State Pier at Hampton Harbor.

Funds have been allotted for a study by Army Engineers on extension downstream of the Cocheco River Flood Control Project.

Legislation recreating the N. H. Shore Fisheries Advisory Committee has been enacted.

Sponsored by our Mosquito Control Committee, legislation enabling establishment of insect and pest control districts in the State has been enacted.

The Association services through the Executive Secretary and Prof. C. F. Jackson of our Fisheries Committee, cooperating with the Portsmouth Rotary Club, the Portsmouth Y. M. C. A., Camp Gundalow and the Town of Greenland, were instrumental in securing the Winnicut River Dam.

Extensive data on the Region for a directory of Historic Lore in New Hampshire were compiled by Mrs. F. W. Randall for our Historic Sites Committee.

Legislation for the study of the pollution problem in Great Bay and the Rivers has been enacted.

Through action of our Agricultural Committee in addition to 4-H Clubs merit awards, the club leaders now receive the National 4-H News Magazine.

Some of these objectives were initiated or sponsored by the Association and in others every possible assistance has been extended. Special consideration should be given to the good services of our legislators. In these and other endeavors our associations with other groups and agencies, Local, State and Federal have been harmonious and productive.

Also the cooperative work of the Six Neighborly Regions of New Hampshire has brought forth many expressions of commendation. Our greatest need is more interest and support in our constructive purposes.

ALTON P. TOBEY,
President.

ALVIN F. REDDEN,
Executive Secretary.
